Hello, Everyone!

CHANGE! CHANGE! CHANGE! That's what this tax season is all about. The One Big Beautiful Bill Act contains many of these exciting changes. I have included an entire page dedicated to the OB3 Bill. Please check it out! The Indiana Department of Revenue has now made the Indiana Tax Credit for the Elderly eligible to be filed electronically through INTIME. This will be a big convenience. The first date to electronically file tax returns is January 26, 2026.

Another big change for us is that my grandson, Kyle Crim, has now joined our team full-time. I have been looking forward to this for a long, long time. Kyle graduated from Hanover College last May with a degree in business. He has been studying for the Enrolled Agent exam. I am so proud of him and excited to have him share with me the responsibilities of tax season.

I have listed some of the important tax dates below:

January 15	4 <sup>th</sup> quarter estimates due for 2025
January 31	Businesses must furnish W-2's and 1099's to the recipient and to the IRS
March 2	Farm returns must be filed and paid
March 16	S-Corps and Partnership returns for 2025 are due or file an extension
April 15	Individual and C-Corporation returns are due or file an extension; 1 <sup>st</sup> quarter estimates due for 2026
May 15	Personal property tax returns and not-for-profit returns must be filed
June 15	2 <sup>nd</sup> quarter estimates for 2026 are due
September 16	Corporate and partnership returns must be filed if they were on extension; 3 <sup>rd</sup> quarter estimates for 2026 are due;
October 15	2025 Individual returns due if extended.

**I cannot stress how important it is to file 1099's if you pay someone in the course of your trade or business who is not incorporated over \$600. Information needed is name, address, federal ID number or SSN, and amount paid. I can file these for you. Just get me the information needed so they can be filed by January 31<sup>st</sup>.**

The basic organizer along with any specialty organizers (farm, daycare, business, rental, 1099's and W-2's) are available on my website. I encourage you to use these organizers for your benefit. If you do not have access to these, please call and we can mail whatever you need to you.

I also urge you to look at my website at [www.jillcrim.com](http://www.jillcrim.com) for more information. Please call Jane at (765) 544-2373 to schedule your appointment. Call early to get the time you prefer. Matt & Kyle will be taking care of most of the dropped off returns, and Kyle will handle some in-person appointments. Tax returns dropped off without an appointment after March 15<sup>th</sup> will be subject to having an extension filed. With the addition of Kyle to our team, we are accepting new clients. If you have questions or need help, please do not hesitate to contact us. We are praying for a great tax season this year. God bless you all!
